In re Application of
Darren Chermack
Application No. 10/655,112
Filed: September 4, 2003
Attorney Docket No. N/A

As per our discussion on or about September 5th, I am sending these two petitions and supporting documentation

The original Notice to File Corrected Application Papers mailed on 11/28/2003 was not received, and my follow up inquiries to the patent office did not indicate that the application was waiting for further materials on my part. Now that I am aware of the required documents, I am happy to provide them.

Enclosed please find these two petitions along with these supporting documents:

- 1) Petition for Reconsideration of Patent Application Abandonment
 - a. Copy of docket record
 - b. Copy of reply to email inquiry of 9/22/04
- 1) Petition for Submission of Corrected Application Papers
 - a. Copy of Fig. 8
 - b. Copy of Specification, Claims, and Abstract reformatted to double spacing
 - c. Copy of receipt postcard listing contents of original application
 - d. Payment of \$400.00

Sincerely,

Darren Chermack

NOTICE TO FILE CORRECTED APPLICATION PAPERS

Filing Date Granted

An application number and filing date have been accorded to this application. The application is informal since it does not comply with the regulations for the reason(s) indicated below. Applicant is given **TWO MONTHS** from the date of this Notice within which to correct the informalities indicated below. Extensions of time may be obtained by filing a petition accompanied by the extension fee under the provisions of 37 CFR 1.136(a).

The required item(s) identified below must be timely submitted to avoid abandonment:

- o A substitute specification in compliance with 37 CFR 1.52, 1.121(b)(3), and 1.125, is required. The specification, claims, or abstract page(s) submitted is not acceptable and cannot be scanned or properly stored because:
 - o The line spacing on the specification, claims, or abstract is not 1½ or double spaced (see 37 CFR 1.52(b)).

The following item(s) appear to have been **omitted** from the application:

- o Figure(s) 8 described in the specification.

I. Should applicant contend that the above-noted omitted item(s) was in fact deposited in the U.S. Patent and Trademark Office (USPTO) with the nonprovisional application papers, a copy of this Notice and a petition (and \$130.00 petition fee (37 CFR 1.17(h))) with evidence of such deposit **must** be filed within **TWO MONTHS** of the date of this Notice. The petition fee will be refunded if it is determined that the item(s) was received by the USPTO.

II. Should applicant desire to supply the omitted item(s) and accept the date that such omitted item(s) was filed in the USPTO as the filing date of the above-identified application, a copy of this Notice, the omitted item(s) (with a supplemental oath or declaration in compliance with 37 CFR 1.63 and 1.64 referring to such items), and a petition under 37 CFR 1.182 (with the \$130.00 petition fee (37 CFR 1.17(h))) requesting the later filing date **must** be filed within **TWO MONTHS** of the date of this Notice.

Applicant is advised that generally the filing fee required for an application is the filing fee in effect on the filing date accorded the application and that payment of the requisite basic filing fee on a date later than the filing date of the application requires payment of a surcharge (37 CFR 1.16(e)). To avoid processing delays and payment of a surcharge, applicant should submit any balance due for the requisite filing fee based on the later filing date being requested when submitting the omitted items(s) and the petition (and petition fee) requesting the later filing date.
